

1999 Bell 407
TT 993
Cycles 1,461
Landings 1,329

- One owner since new
- Always hangared
- Private use only with minimal passengers in the VIP Cabin as the owner was also the pilot
- 5250 Gross weight TOW

The Bell 407 integrates reliability, speed, performance, and manoeuvrability with a cabin configurable for an array of missions and payloads. Its Rolls Royce 250-C47B turbine FADEC engine delivers exceptional hot & high performance with the ability to cruise at 140 knots (259 km/hr). The 407's spacious cabin seats up to five passengers in wide-open club-passenger seating and can be reconfigured to accommodate any number of tasks and payloads. For added passenger comfort, the Bell 407 also provides a very quiet and smooth ride in virtually all weather conditions. The Bell 407 is proof that you don't have to sacrifice comfort for performance.

Equipment List
